

Virtual LEGO Engineering at St. Mark's Lutheran School

Play-Well LEGO at Home: STEM FUNDamentals-

3:30-4:15pm- Grades K-2 - Wednesdays - Sept 23-Oct 28

Grades 3-6 - Thursdays - Sept 24- Oct 29

Play-Well classes are going virtual! Tap into your imagination from the comfort of your own home with the guidance of an experienced Play-Well instructor and simple pieces from your own LEGO® collection - all while connecting virtually with your friends and classmates! Students will explore their creative boundaries, learn new building techniques, and connect their projects to practical real-world STEM concepts, all with a focus on open-ended builds that do not require special LEGO® pieces.

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more at play-well.org.**
